

[The Forestry Commission Rendlesham Forest](#)

Forest Trail Activity: Discover your Forest is for CU Learners and it can be done in any Forestry Commission Woodland in England.

The activity is available to download free of charge, although car parking charges may apply in some forests.

To take part: download the Discover Your Forest activity sheet from the link below.

1. Choose a Forest to visit, take a pencil and a small bag. A clipboard may be useful if you have one.
2. During the visit to the Forest, discuss the questions and activities on the sheet.
3. Write answers down as you go or complete the sheet later in the day.
4. When you have finished, scan pages 1 and 5, or take a photo of them, and email them to learning.England@forestry.gsi.gov.uk with your name and age, and the name of the Forest you visited, so that we can send you a stamp for your CU Passport to Learning

Learning Credits

- 2 hours CU Learning Credit for completion of the Trail and Activity Sheet.
