

Sizewell B Visitor Centre Leiston

The visitor centre at Sizewell B has an interactive exhibition, a classroom and they offer pre-arranged tours of the power station.

The exhibition, with the use of interactive models, touch screen computers and information panels explain how electricity is generated in a nuclear power station. It also covers safety on site, radiation, nuclear waste and other forms of electricity generation.

Learning Credits

- 1-hour CU Learning Credit for a general visit.
- Children aged 11+ can take a tour of the Power Station. Eligible for 3 hours of CU Learning.
