The Fisher Youth Theatre Group provides performance arts activities to more than 100 young people every year.

Production Groups are categorised by age, Juniors and Seniors.

The Fisher Theatre is a venue with an interesting history with lots to learn about it's past.

Specialist tutors are hired to provide members with learning activities across a range of theatrical disciplines such as acting, dancing, singing, stage fighting, film and production and technical aspects of theatre.

For the last eleven years Darren France and Laila France have led all Junior and Senior Productions for FYTG with occasional support from guest directors.
