In line with the ethos of Children's University, Leaders will award hours for learning completed as part of work done towards Activity or Challenge Badges, not every minute of a group meeting.

Because of the difficulties in assessing time spent on an activity outside of the unit meeting, only hours for participation in activities delivered as a structured event may count.

Residential activities can be awarded to a limit of 5 hours per day (a maximum of 10 hours for any event).

**Learning Credits**

- Please see the guidelines above.

**Further information**
